Prizes

Ribbons 1st – 6th for each trial.

Ribbons and prizes for overall winners in each division (combining points earned in all trials).

Note: All classes will be run as Open classes unless there are sufficient entries to justify splitting into divisions. A class will be split into Open/Amateur/Youth divisions provided there will still be at least three or more entries in each of the split classes. In the case of a split, ribbons will be awarded to each of the split classes.

Entry Fees: Level 1 (Intro) = \$85 per entry.

Level 2 (Novice A) thru Level 5 (Intermediate B) = \$125 per entry.

State Drug Fee + Grounds Fee + WE United Starter Fee = \$17 per entry (mandatory).

WE United Non-Member Fee = \$15 per non-member.

Entry fee covers all trials offered at each level. Riders participating hors concours (H/C means riding for scores but not placement in the ribbons), pay the same entry fee.

Stabling: NO STABLING is available on site.

Option for Those New to the Sport: We are offering riders the opportunity to participate in this event as “H/C”. H/C Riders can have a coach, on foot, with them in the competition arena throughout their rides. The coach is available to assist both verbally (providing instructions / suggestions) and physically (assisting with the gate, etc.) to help ensure that both horse and rider have a positive experience with the sport. H/C riders are participating for schooling purposes only (hors concours); they are not competing for awards/points. If you do not have a coach of your own, competition organizers will attempt to locate someone with WE experience at the event to serve as your coach during the event; however, competition management does not guarantee that a suitable coach can be found. The more advanced notice event management has about the potential for a coach being needed, the greater likelihood that a coach can be found for you.

Rules

The competitions will use the *United States Rules for Working Equitation*. Please make sure you have a copy of the current rules. They can be found on www.WEUnited.us -- go to the link for “Rules & Dressage Tests”.

All horses must be registered with WE United. Lifetime Horse Recording with WE United is 100% free! Go to: <https://goo.gl/forms/Hjn40NAe81aT2HRL2> to register your horse.

Although membership in WE United is not required to compete at these shows, we strongly encourage all participants to join the National organization. Your \$25 annual membership fee helps support the continued development of the sport in the United States and helps fund the Performance Awards Programs, Judge and Technical Delegate Trainings, website, and outreach programs the organization offers. Join online at www.WEUnited.us. For riders’ scores at a competition to count toward performance awards the riders must be a member within 30 days after the conclusion of the show. Anyone who is not a current member of WE United must pay a \$15 non-member fee to compete. Riders schooling hors concours (H/C) and those participating solely in exhibition / leadline classes are exempt from this non-member fee, as they are not competing.

*****Use of helmets is required for all competitors under 18 whenever they are mounted*****
